

Plot 53

The Certificate of Lawfulness

"It is our understanding that the Certificate of lawfulness covers more than plots 21, 22, 23, 52, 53 and 54. Our understanding is based on the map attached to the Secretary of States Inspectors 2003 decision letter. The map appears to identify that an area of road is included as well as areas of plots 44, 43, 42 and 20. This is further confirmed by examination of the surfaces on these plots."
